REINDEER POOP:

I came wide awake when I heard Santa call,
"Dash away, Dash away, Dash away all."
Grabbing my robe, I ran out to the lawn,
but reindeer and Santa were already gone.
So with my shovel I started to scoop,
all of the droppings--gourmet reindeer poop!
I thought, "Oh my goodness!! I'll put them in bags,
and then I'll attach a cute, colorful tag!
My friends will just LOVE them, they're good as can be!"
Merry Christmas to you from the reindeer and me!

Christmas is coming and so are the deer
Listen closely and you will hear,
And 'long with them comes a special treat,
Reindeer droppings for you to eat !!!!!

For all the souls who hate the noise
Of Christmas cheer and lights and toys
For Mr. Scrooge and Mrs. too,
here's a little gift for you...
A lump of coal won't be enough
to make up for the shine and fluff,
So, here's a scoop of reindeer poop
to offset all that Christmas goop!!

Christmas is coming
Along with Santa and his deer
Listen closely on Christmas Eve
And maybe you will hear.
While Santa leaves gifts
Tied with ribbons and bows
The reindeer leave these droppings
In neat little rows.

I woke up with such a scare/fright when I heard Santa call...
"Now dash away, dash away, dash away all!
I ran to the lawn and in the snowy white drifts,
those nasty reindeer had left "little gifts".
I got an old shovel and started to scoop
neat little piles of "reindeer poop".
But to throw them away, seemed such a waste,
So I saved them, thinking ~ you might like a taste!
As I finished my task, which took quite awhile,
Old Santa passed by and he sheepishly smiled.
And I heard him exclaim as he rose in the sky ~
"Well, they're not potty trained, but at least they can fly!"

We were awakened when we heard Santa call,
Dash away, Dash away, Dash away all."
But soon we discovered, out on our lawn,
Santa and his reindeer were all gone.
With our little shovel we started to scoop,
All of the droppings ... "YUCK", reindeer poop!
But then we so generously filled up your sack.
Hope you have a Merry Christmas and enjoy your snack!!!"

MISC POOP (fill the blank with snowman/elf/reindeer/ whatever you feel is appropriate):

Santa checked his list not once, but twice
and found you've been naughty, and not very nice.
Since coal is expensive, here's the scoop –
he's filled your stocking with _____ poop!

I heard you've been naughty,
so here's the scoop.
All you get for Christmas this year
is _____ poop.

Heard the rumors,
heard you were naughty,
so here's the scoop ...
... all you get is _____ poop".

You've been naughty
I've heard the scoop
Now all you're getting is
_____ Poop!!

You've been naughty this year,
So here's the scoop...
All you get for Christmas
is this _____ poop!

He knows you've been bad,
Santa's watching you.
So all you get for Christmas
is this _____ poo!

PENGUIN POOP:

While visiting in the Artic
What do you think I found?
As I was walking on the snow and ice
This was laying on the ground.
I bagged it up and saved it;
Then someone told me the scoop
These brown little tidbits
Are genuine Penguin Poop

GINGERBREAD POOP:

Run!! Run!! as fast as you can,
You can't catch me,
I'm the Gingerbread Man!
So I chased him all over,
up and down all around town,
While he was running,
and all I kept seeing was brown.
I never did catch him,
but I'll give you the scoop,
That brown that I saw?
That was his gingerbread man poop!

SNOWMAN POOP:

In the cold of winter when snow arrives,
All the snowmen dance and feel alive.
If you follow in their tracks,
You will find little droppings from their cracks.
Round and white, so sweet and light,
Eat one, eat two and have sweet dreams tonight!

Santa came and went last night
Traveling on his worldwide loop
Because you weren't so good this year
You get no coal, just snowman poop
Round and white, so sweet and light
Eat some and have good dreams tonight!

Santa looked at his list,
Even checked it twice.
And he has seen that you
have not been very nice.
Since coal's so expensive,
Here's the scoop,
Santa's filling your stocking
with SNOWMANS POOP!

You've been bad,
so here's the scoop.
All you get for Christmas
is Snowman poop!

I heard that you've been naughty,
So listen, here's the scoop...
I'm running short on coal this year,
So here's some snowman poop!

ELF POOP:

The elves were so sick they couldn't make toys
And Santa had to fill all those stockings
He gathered the only thing the elves could make –
Here are your Elfin Droppings

GRINCH POO/CANDY:

The Grinch has been here and he left just one clue...
This little green pile, Of Grinchy "pooh."
But why did he do it? Did he want to get caught?
As the Grinch would say, "I most certainly did not!"
But Santa and the reindeer with nose set on dim,
Landed on the roof, And scared IT out of him!
He left in a hurry - homeward bound,
Leaving little green piles All over the ground.

HO-HO-HO, Christmas is near
So here's a bit of Christmas Cheer!
I heard from a little birdy
Who sits on the stoop,
You've been mean and naughty,
So here is your Grinch poop!

When the Grinch discovered
There was no way,
To keep Christmas from coming
On Christmas day,
He devised a new plan...
Thought not quite as mean.
He licked all the candy canes,
Till he turned them all green.

RUDOLPH REPAIR:

Rudolph has a job to do
Every Christmas eve, it's true.
His nose will always light the way
For Santa and his tiny sleigh
But if his nose should ever go out
Don't cry or whine or yell or pout
Take out this bag and use a bit
From Rudolph's red nose repair kit.

Rudolph guides ol' Santa's sleigh
His nose goes red to point the way.
But if it flickers on Christmas night
Just use these replacement lights!
