$5 \frac{1}{2}$

$8 \frac{1}{4}$

$1 \frac{5}{8}$

**Cut 2 pieces of each pattern. Score on dashed lines. Stamp desired design then assemble pieces with sticky tape. Punch holes for handles and attach 2 pieces of ribbon desired length. Embellish with boa or other decorative ribbon/beads.**

**Note: I attached the boa on mine, by punching 1/16 inch holes around the top of the purse, then sewed it on with embroidery thread and large needle.**

**Add piece 2 to this end.**

**Add piece 3 to this end.**

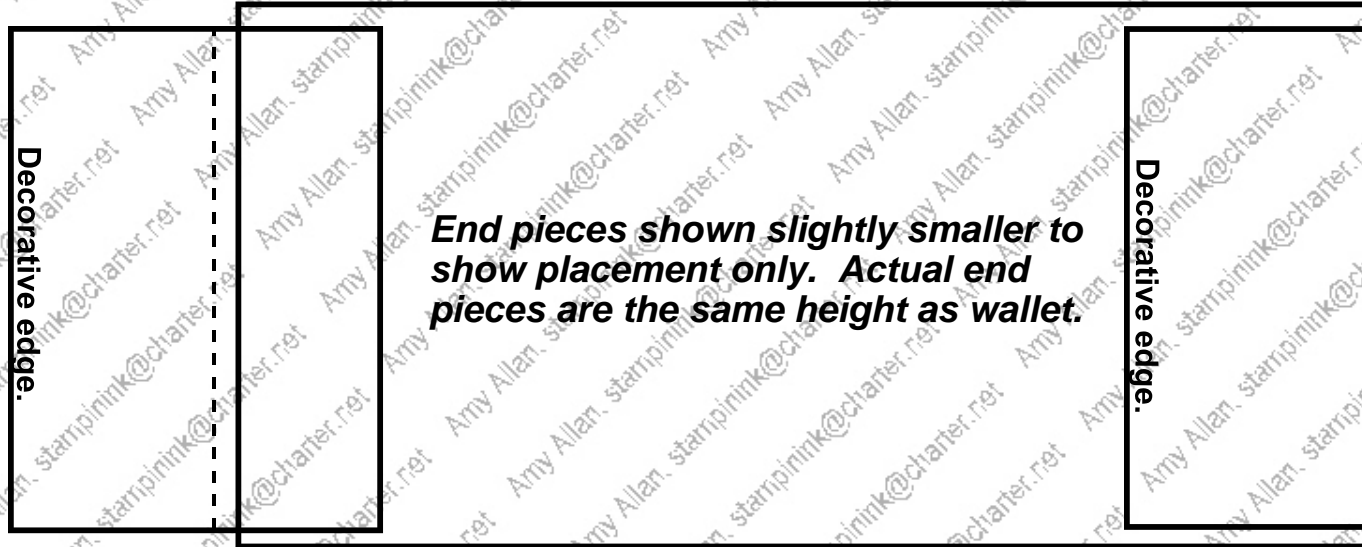

**Slot punch is used to create corner slots for gift certificate to fit in.**

**Use velcro to create a clasp.**

**Center of wallet is NOT scored, just gentle fold over creating a curved bend.**

# Wallet Assembly

Decorative edge.

**End pieces shown slightly smaller to show placement only. Actual end pieces are the same height as wallet.**

Decorative edge.
