3. You will need to trim the cardstock to 4" x 8 1/2", and then make two 4" x 4" squares with this piece.
4. On the last piece of cardstock it should measure 3 ¼" x 8 ½", trim in half at 4 ¼"

### **Designer Paper**

As for the designer paper, you can choose to trim it to whatever size that you prefer.

Since you get a total of 6 sheets, plus the die cut border stickers, there is more than enough designer paper to decorate all 4 books.
