4 different pieces of DSP - 4×4 , $3\frac{1}{4} \times 4$, $3 \times 3\frac{1}{4}$, $1\frac{1}{2} \times 4\frac{1}{4}$

Instructions

1. Take the card base ($4\frac{1}{4} \times 9\frac{3}{4}$ piece of Island Indigo) and score it @ $5\frac{1}{2}$. Score the small section in half on an angle (with the small section @ the top, angle the top left to bottom right & score to look like the above picture).
2. Find the DSP you cut that is 4×4 and cut it in half on an angle.
(You only need one half unless you are going to do 2 cards)

3. With your ink pads, Festive Flurry Stamp Set, & $3\frac{1}{4}$ x 11 piece of W.W. CS; stamp the 3rd largest snowflake & 2 of the smallest snowflakes in Island Indigo, then stamp the 2nd smallest snowflake in Coastal Cabana & cut them out using the Festive Flurry Framelits Dies and the Big Shot machine.
4. You can either use the Stampa-ma-jig or eyeball it, to stamp the "Christmas Wishes" from the Joy To The World set on to the $1 \times 3\frac{1}{4}$ piece of W.W in Island Indigo.
5. Using the Lace Border Punch to punch both long edges of the $3 \times 1\frac{1}{4}$ piece of Smoky Slate CS.
6. With a Sponge Dauber, sponge around all the DSP with Coastal Cabana.
7. Now you can put your card together to look like the picture.

☺ Happy Card Making ☺
