

Tea light Luminary

1. Cut a 8x8 piece of card stock.
2. Score at $2\frac{3}{4}$ on all four sides.
Then score at $2\frac{3}{8}$

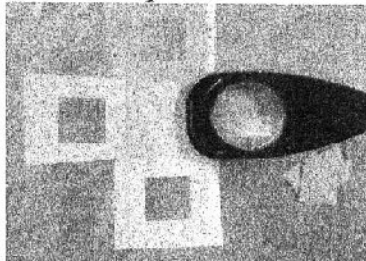

3. Cut out the corners making sure that you leave flaps one two opposite sides.

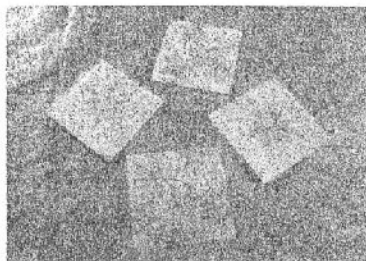

4. When folding you will fold the sides up at the $2\frac{3}{4}$ score line

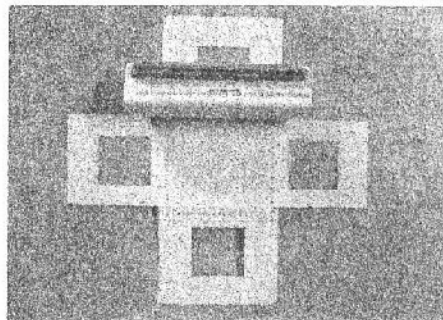

5. Punch windows on all four side with the $1\frac{3}{8}$ punch

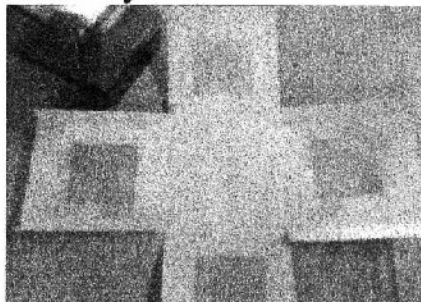

6. Stamp your vellum with the images you would like

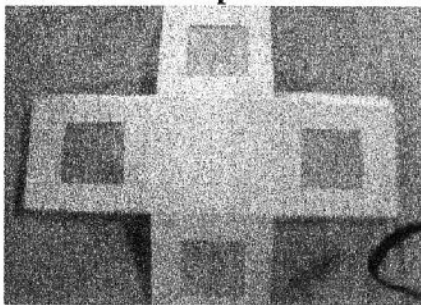

7. Turn the project over and stamp a line of dots in between the score lines.

8. Attach the vellum to the inside of the luminary.

9. Fold the flaps on the 2 sides in

10. Adhere them to the insides of the luminary

11. Cut a strip of contrasting card stock 1"x 11" score down the middle at $\frac{1}{2}$ " and stamp if you wish.
