

# Post-it Note/ Notecube Holder (modified version)

Created by Sandi Simos ©2005

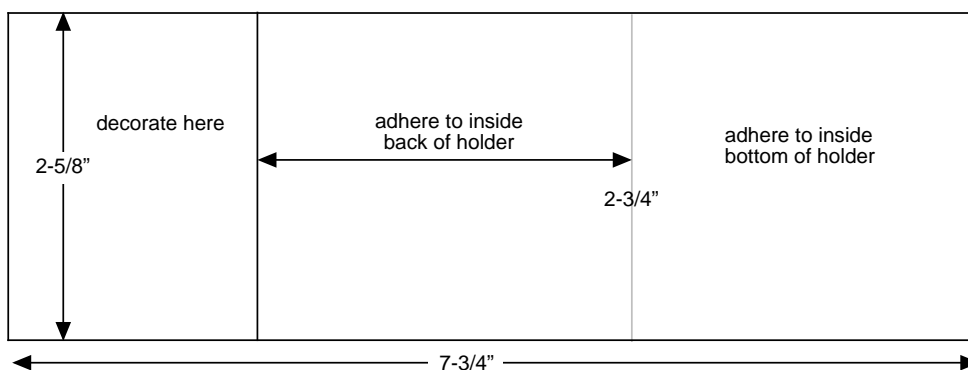

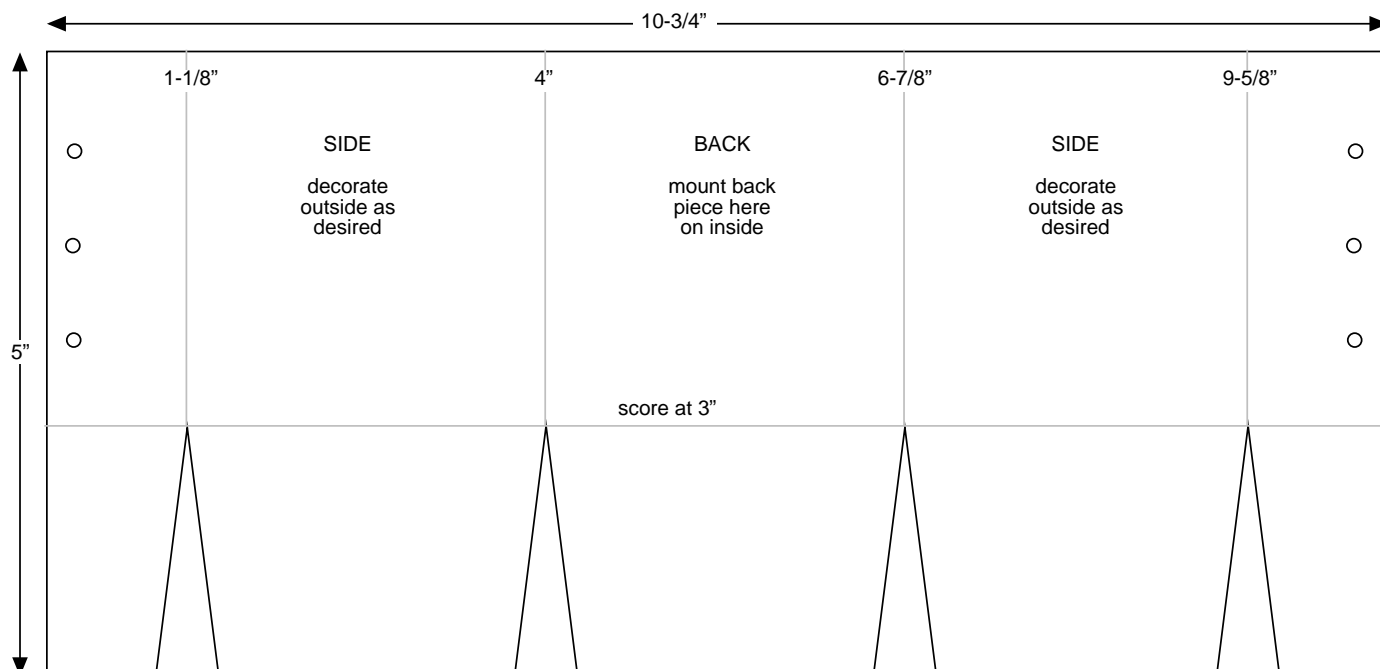

template & instructions written by K. Dellovo

Fits a 2-3/4" square notecube, uses 1 sheet of card stock

1. Cut a piece of card stock 5" x 10-3/4".
2. Score and cut as indicated on pattern:  
1-1/8", 4", 5-7/8", and 9-5/8", and 3" from one long side
3. Decorate sides and round top corners as desired
4. Mount eyelets on front flaps.
5. Fold and adhere the bottom flaps. Add ribbon or twine
6. Cut a 7-3/4" x 2-5/8" piece of card stock for back and score 2-3/4" from one end.
7. Decorate the opposite end and adhere to inside back of notecube holder.
8. Decorate notecube if desired and add into holder.

note: add a pencil holder to the back/side with a piece of rolled card stock
