

BOTTOM

S.U. SAB template BOX BOTTOM (Resized to 214% to fit 3x3 notecards & envelopes)

One way to use this for an ink free project:

- 1)** Print template & **2)** Trim away paper around lines
- 3)** Cut separate piece of cardstock measuring: BOTTOM 7" square TOP 7 2/8" square (Stamp it if you like)
- 4)** Lay the cardstock in a Scor-Pal & place the trimmed template atop it (affix to each other with removable adhesive)
- 5)** Line up & Score all the lines (4 times) **6)** Cut slits where the solid lines are (by cutting along score lines you made)
- 7)** Embellish it however you like & **8)** Assemble box & lid
