### ***To make a shaped CARD:***

- A) Print template onto scrap cardstock
- B) Cut the template out
- C) Trace the template onto good *folded* cardstock (with fold at top of the cup & leaving the fold intact)
- D) Embellish as desired

### ***To make a shaped BOX:***

- A) Print the template onto scrap cardstock
- B) Cut the template out
- C) Trace the template twice onto good cardstock & cut both cup shapes out
- D) Dry fit onto square/rectangular box (so the handles line up with each other)
- E) Embellish the appropriate side of each cup
- F) Adhere tea cup shapes to the front & back of the square/rectangular box

*[The double tag can be traced and folded too, to make a tea bag tag on a piece of string]*
