

4.25 x 5.5" cardstock. Measure in 2 1/8" and mark center top and bottom--draw line. Draw line from bottom left and right corner to top center.

On center line measure down 2 centimeters and place dot, from that dot measure down 1 cm and dot--do this 6 times. On the diagonal lines measure down 3 cm from top and place dot--measure down 1.5 centimeters from that dot and dot--do this 6 times. Connect dots and cut on solid lines and score on dashed lines. I removed the bottom section on my card. Fold down the tabs, back with colored/patterned paper and decorate as you like

HAVE FUN!!
