

Tissue Pack Cover

Cut cardstock to 6 x 7 ½ and score along the 6 inch side at 1 inch and 5 inches. Score the 7 ½ inch side at 2, 3, 5 and 6. Use a circle punch to punch a notch out of the end as indicated in the drawing below. Also, once you remove the corners as indicated you can use a corner punch to round off the corners (this will be the front flap). Secure box with scor-tape, apply sticky back Velcro circles for closure and decorate as desired.

(not shown to scale, just for visual reference)
